

Priya Mehta

Target Role: Deep Learning Engineer

Email: priya.mehta@example.com

Phone: +91-98XXXXXX01

Professional Summary

Motivated Deep Learning Engineer with experience in AI projects, model development, deployment, and data preprocessing.

Education

M.Tech in Artificial Intelligence, VIT Vellore (2025)

Technical Skills

Python, TensorFlow, Keras, OpenCV, Pandas, MLflow

Experience

Research Intern at Vision Labs (2025). Improved image segmentation IoU by 8% using deep learning.

Projects

- Defect detection CNN
- LSTM time-series forecasting
- Image segmentation

Certifications

AWS Cloud Practitioner, DeepLearning.AI, Google Data Analytics
